

Yingli 545w photovoltaic panel size

Overview

The YL545D-49e 1500V 1/2 from Yingli Solar is a Solar Panels with Output Power 545 W, Output Voltage 41.03 A, Temperature Operating Range -40 to 85 Degree C. See the table below for available information we have about Yingli Energy China Co Ltd YL545D-49e 1500 1/2 YLM-J 3.0 PRO panel dimensions, datasheet, warranty information, wattage and more wherever. or direct current (DC) wiring in PV systems. Cables should be fixed to the installation structure in such a way that mechanical damage of the cable and/or the module pany Limited. Technologie: Gamme de Puissance: YL545D-49e 1500V 1/2 - Solar Panels from Yingli. Yingli's PANDA 500-545 W N-type TOPCon bifacial modules are a modern, high-power option that suits commercial and constrained-area residential projects where power density and bifacial potential are key considerations. Yingli Energy Development Company Limited Solar Panel Series YLM GG 144Cell 430-455 DF. Founded in 2014, Q-SUN is located in Chuzhou City, on the coast of the Yangtze River.
