

Yizhao New Energy Photovoltaic Bracket Installation

Overview

Meet Yizhao New Energy, a photovoltaic bracket factory that's been quietly revolutionizing solar infrastructure since 2018. 8 GW of solar projects supported globally last year alone, their mounting systems have become the unsung heroes of renewable energy. Yizhao New Energy Professional Photovoltaic Bracket Manufacturer in China Ground/Farm/Roof/Flexible Solar Mount System Whatsapp:86 15822158783 Website: <https://www.yizhao.com>. General materials are aluminum alloy, carbon steel and stainless steel. cooperated with Ningxia Longxiang New Energy Technology Co. to install our photovoltaic bracket products to the EPC project site of Ningxia Electric Power Ningdong 2GW photovoltaic base project Every payment you make on Alibaba. Our factory was established in 2015. After 8 years of development, it has established three factories in Tianjin, with a total factory area of more than 60,000 square. to attach the fixing bracket to the solar panel. Lay the solar panel face-down on the tarp or canvas to protect the photovoltaic surface. Secure and easy installation for efficient solar power portance of Proper Installation of I.
