

# Zambia s new solar panel manufacturer

## Overview

---

Longi Solar is one of the world's leading manufacturers of solar equipment, and the partnership with Sino Green Technology and the Zambian Government is expected to significantly enhance Zambia's solar generation capacity, strengthen energy security, and support the country's. Longi Solar is one of the world's leading manufacturers of solar equipment, and the partnership with Sino Green Technology and the Zambian Government is expected to significantly enhance Zambia's solar generation capacity, strengthen energy security, and support the country's. ZESCO Limited is accelerating its expansion into solar energy through a landmark Public-Private Partnership (PPP) to develop the Mailo Solar Power Plant. This initiative is a critical component of the Scaling Solar program, underscoring Zambia's commitment to a diversified and sustainable energy. Zambia has officially signed a US\$100 million agreement for one of the largest standalone solar energy projects in Sub-Saharan Africa, outside South Africa—marking a major step in the country's energy transition. Moreover, it plans to deliver up to 1 GW of solar power under the agreement. 0 Pro modules, the project showcases DeepBlue's.
